

The Royal Albert was established in the late 1800s and remains one of Surry Hills most iconic local pubs.

Areas are available to cater from 20 - 100 people for your special event, meeting, celebration or launch. A great place to chill out for an intimate drink during the week and some dumplings at the Pub Bar, Lounge Bar, or in the Dumpling Bar itself. Or book in with a larger group where we can arrange set menus and beverage packages to suit your needs.

The Dumpling Bar has snuck into the Reservoir Street side of the venue to compliment your pub experience. The Lounge Bar sits between the two, where you can organise a band, a stand up or sit down affair, or take advantage of both spaces for a larger event.

New meets old and the pub remains its charming self while you get to enjoy the new Bamboo Dumpling Bar within the comforts of your local tavern. Enjoy the best of both worlds in this unique, warm, and delicious hub in the heart of Surry Hills.

Book an event or function every day of the week for lunches, afternoon, or dinner groups.

Sit down or standing events possible in The Royal Albert Lounge Bar or the Bamboo Dumpling Bar - or book both. 100 people standing and from 20 to 50 seated.

Use of The Albert Bar Lounge area and/or Bamboo Dumpling Bar.

Great staff, fab wine list, brilliant relaxed atmosphere.

Tsing Tao, Peroni, Little Creatures, and other imported Beers available along with excellent local beers on tap.

No venue hire fee, pre book for 20 or more guests and we will arrange specifics for you.
